Dear Pompez:

I am writing first to tell you I talked to Curtis Leak this morning, and he told me the appointment is for Thursday morning, 10.AM.

He said he would write us all the details, so we should get a letter from him Tuesday.

Next I want to tell you what I did about Burleigh and Bostic. Dan told me you gave him \$300.00. I gave him another \$100.00, and I gave Bostic \$150.00. This may seem like a lot to you, but I feel they did a job that was worth that much and more. When I went to them, and asked them to work with us, we were faced with a lot of competition in the four team game in Yankee Stadium two days before our game in the Polo Grounds. There is no doubt that they did a grand job. I am sure we would not have had the crowd we did if these two men had not done the work they did, and given us the space in the paper and the time on the air.

I am also enclosing the bill for advertising in The Amsterdam News. Please take care of it. All in all I think the game was financially successful.

We had \$12841.00 in the park in Kansas City yesterday an hour before game time, and a thunder storm came up and rained the game out. Wasn't that a bad break? We were only supposed to play in Kansas City Sunday and Monday, but now we are going to play there Monday and Tuesday. We are in Chicago Wednesday, and if a sixth and seventh game is necessary we will return to Newark for Friday the 27th and Sunday the 29th. Let me know if you want tickets to come over.

Will see you Thursday morning.

Yours Truly
